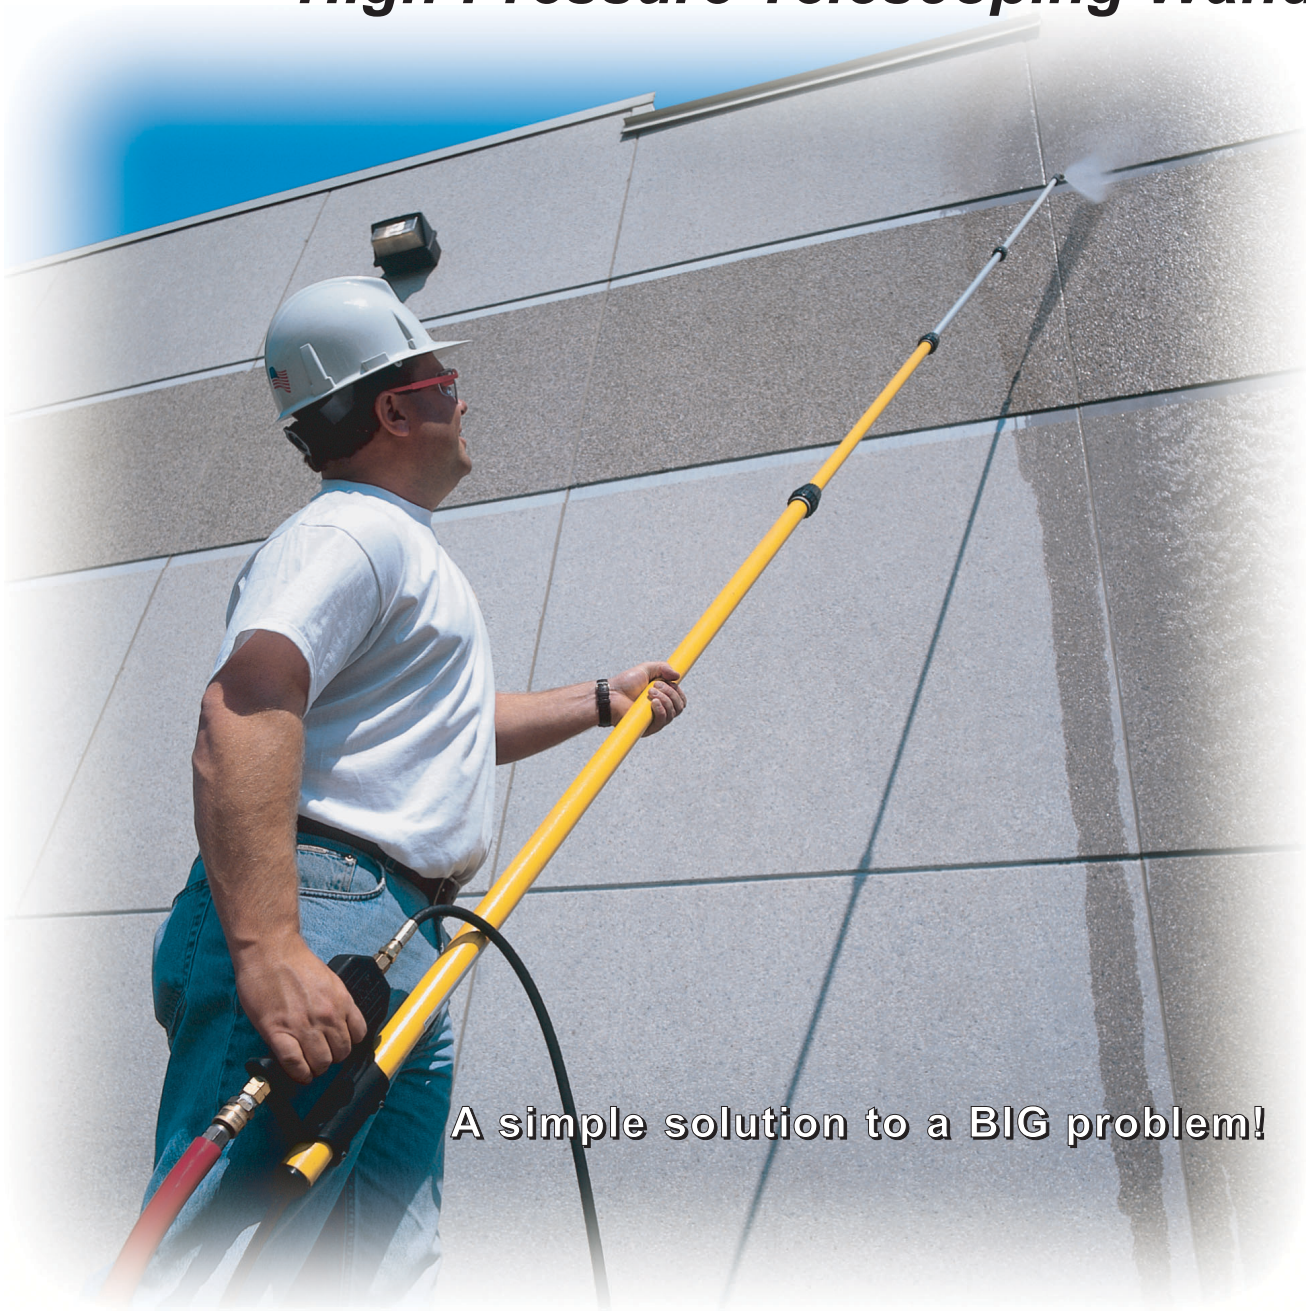
PRODUCTIVITY

THE GIRAFFE

High-Pressure Telescoping Wands



PRODUCTIVITY

Clean tall buildings and large equipment from the ground. No scaffolds or ladders means increased productivity without sacrificing safety. An optional support belt is available to further reduce operator fatigue. The Giraffe comes in three lengths 12', 18', and 24' and is rated for use with up to 3500 PSI to make easy work of the the toughest jobs. The Giraffe includes a standard 1/4" quick-coupler that accepts a variety of nozzles and accessories.
