The Key Milestones in this obsolescence process are:

1. Formal Notification of Obsolescence July 1st, 2019
2. Orders for these products are no longer accepted December 1st, 2020.

Support Part Options:

Replacement parts are available until remaining inventory is consumed. After Inventory is consumed, support parts will be made or purchased to order which may have a significant lead time and are subject to price change. If components become unavailable to source, they will not be available for purchase. Please call for a quote to ensure proper pricing and to obtain lead time estimations.
