SC25

Smart, compact cleaning

NILFISK

Simply press play for your smartest clean yet.

Say hello to the Nilfisk SC25, a versatile, intelligent autonomous scrubber dryer that works at the touch of a button to help free up time and resources, and ensure reliable, consistent cleaning.

For the highest quality clean every time, the SC25 is unmatched. Light sweeping technology allows for the pick-up of small debris, giving the best conditions for effective scrubbing in any customer facing environment.

Multiple intuitive operation modes for all the cleaning needs at the highest safety standards and thanks to its smart programming, this transition couldn't be easier: it's all at the push of a button.

Space and time saving, so your team can achieve more.

We can't make more time in the day, but we can give you time back. The SC25 is designed to handle labor-intensive tasks, meaning your staff can get back to delivering great customer service, making light work of the cleaning schedule.

SC25 is made as a collaboration between Nilfisk and LionsBot and is built on shared vision for a cleaner, more sustainable future.

LIONSBOT

Reliable, resourceful cleaning at the push of a button.

Technical specifications

Description	SC25
Scrub head	1 x cylindrical brush
Scrub path	36.6 cm (14.3 in)
Squeegee width	59 cm (23.2 in)
Solution tank	22 L (5.8 gal)
Running time	3 h
Cleaning time	1.5 h to 3 h
Battery capacity (nominal voltage – capacity)	25.6 V / Ah 40
Max autonomous speed	3.6 km/h
Max theoretical productivity	1,317 m^2/hr
Sound pressure level	64 dBA
Length x height x width	72.2 x 91 x 65.4 cm (28.4 x 35.8 x 25.7 in)
Gross weight (inc. batteries and water)	126.9 kg (279 lb)
