

NO. 1 MAT HOLDER

- ✓ **100% Maintenance free**
- ✓ **100% Stainless steel**
- ✓ **Easy, damage free removal**

Mosmatic Mat holder with plastic pressure-roll

Mat holders are well known in almost every self-service car wash bay. Customers use the mat holders to clip their mats to the wall, wet or dry, to clean them.

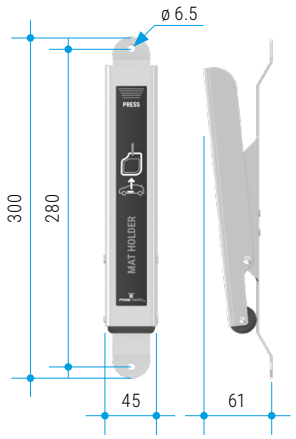

The New Mosmatic Mat holder is made with a plastic roll that holds the mat. It protects the mat from any damage and makes for an easy removal.

The mat holder is not only practical, but is entire made of stainless steel and is maintenance free.

Mosmatic Mat holder for wall mounting
