HAMMERHEAD™

21" STAINLESS STEEL SELF RECOVERY - FSC

The **Jetwave® 21" Stainless Steel Self Recovery FSC** recovers the dirty water and expels it with the venturi principal eliminating the need for a vacuum recovery system. Simply place your recovery hose to a desired drain point and clean with the FSC.

STANDOUT FEATURES

- **Stainless Steel** construction.
- Heavy duty **stainless steel castor wheels.**
- **Integrated recovery** (black anodized aluminium suction device) using the venturi principal
- **21"** Cleaning pass.
- High RPM stainless steel swivel with self lubricated stainless steel bearings.
- Manufactured in **Switzerland.**
